This space comes equipped with audio and visual equipment for presentations. The Basement has a speakeasy type of feel. Perfect for receptions and rehearsal dinners.

The Terrace Ballroom – Seating Capacity of 175

Best Space in Indy for Wedding Receptions & Rehearsal dinners!

Our terrace ballroom is beautiful, spacious and versatile. Surely one of a kind! The large banquet hall can seat up to 185 people at round tables. For weddings with more than 100 guests we often suggest having your ceremony cabaret style where guests are already seated at their reception table. The large windows allow the natural light to brighten the day and crystal chandeliers to illuminate the night. Smaller wedding parties can accommodate a cocktail reception within the space. We would be happy to connect you with florists, photographers, graphic designers, DJ services and much more!
